Book Details: The original title, "Alice in Wonderland" by Lewis Carroll, has been reused with a new ISBN and a revised title. This Disney version was published in 1981 as the 19th printing, featuring illustrations from the Disney film. The book is in very good condition (VG-) with bright colors, secure binding, and gilt paper-wrapped spine. Published by Golden Press/Western Publishing Company, this edition retells Lewis Carroll's famous work, adapted by Jane Werner and Al Dempster from the Disney film. The book has undergone several restocks and reprints since its original publication in 1951. ****Seller Information**** Sally Morgan, a children's author, lives in Minneapolis with her family. She writes books for various publishers, including Scholastic UK, Penguin Random House, Little Tiger, Hachette, Lonely Planet, and Arcturus. Sally enjoys hearing from her readers and can be found at . Disney Brings Wonderland to Life: A Look at Classic Games and Adaptations Walt Disney's Alice in Wonderland has been a beloved classic for generations, with various games, adaptations, and books being released over the years. This collection features different titles, including Alice in Wonderland: Down the Rabbit Hole, which combines lift-the-flap surprises with interactive pop-up illustrations, and Alice Through the Looking Glass, a unique illustrated novel that allows readers to follow the characters on their journey through time. Some notable releases include Golden Books adaptations such as "Alice Meets the White Rabbit" and "Alice in Wonderland (Big Golden Book)", while others, like the Wonderful World of Reading storybook adaptation, feature beloved songs from the film. The Read-Along series offers an immersive experience with the 1957 audio recordings of "The Unbirthday Song" and "I'm Late". With various art styles and unique twists, these adaptations offer a fresh take on the classic tale, while maintaining the essence of Wonderland's whimsical world. Alice in Wonderland Read-Along books feature song lyrics This edition, along with future reprints, is one of only a few Disney animated films' Read-Along books that include song lyrics. The Alice in Wonderland Read-Along 1990 third edition came with a cassette tape and featured stills from the film instead of the 1968 illustrations.
